PROTESTANT GROUPS HELP TO DESTROY THE 'AMERICAN WAY'

Left-Wingers Count On Collectivist Teachings In Various Sunday Schools

By Merwin K. Hart, President
National Economic Council, Inc.

In no field has there been more subtle undermining of faith and confidence in the American way of life than through the Protestant churches. We mentioned in an earlier Letter the work of the Church League for Industrial Democracy, the extremely left-wing organization in the Episcopal Church. Nearly all the Protestant churches have corresponding left-wing groups. Nearly all of them are connected with the Federal Council of Churches of Christ in America.

We have said before that in our opinion the Federal Council is one of the most useful allies of Communism in the United States. We have been criticized for saying so. Of course the attacks of the Federal Council and of its affiliated bodies are seldom direct — seldom forthright. Instead, they first plant the seed of doubt; then talk about the Fatherhood of God and the brotherhood of man; they press their views in allegedly Christian phraseology. But to borrow a figure of speech of Christ Himself, so far as the American way of life is concerned, many of their leaders are wolves in sheep's clothing.

Thus a pamphlet issued by the General Assembly of the Presbyterian Church says:

"This vast penetrating and swiftly moving social change is apparent in the shift of emphasis from what we have called individualism with its

stress on the rights of the individual to various forms of collectivist efforts with their emphasis on solidarity."

The theme-song of every Communist-directed, rioting picket line is "Solidarity."

ATTORNEY STOKES WINS SUIT AGAINST CARLSON

Congratulations to Attorney Jeremiah Stokes of Salt Lake City, Utah, the upstanding lawyer and defender of Americanism against Communism.

He has just won a ten thousand dollar judgment against Avedis Derounian, alias John Roy Carlson.

This marks up four libel cases the Red smear artist has lost defending his book *Under Cover*, which book gets the blue ribbon for containing the most lies per page of any book of non-fiction.

Walter Winchell (Lipschitz) went on trial on the 13th of January for promoting *Under Cover*. Winchell has been the mouthpiece for the outstanding smear organizations of the last six years. Carlson is their gate crasher and character assassin. You will find these two smearing anyone who effectively combats Communism.

Carlson knows how to turn lies into money . . . so we now see him out with another smear book, "The Plotters". And the most amazing part is that there will be thousands of buyers! **Barnum was certainly right.**

FIFTY-NINE CHAPTERS HAVE A MEMBERSHIP OF 26,000, INCLUDING MANY WHO HELPED PUSH US INTO WAR — BACKED BY RUSSIA-FIRSTERS PLANNING TO ROB US OF CITIZENSHIP.

For those who are interested in knowing about this powerful organization, which works quietly but vigorously to rob you of your citizenship in the U. S. A., we give you sufficient information to prompt you to further thought.

You are a citizen of the United States; you are entitled to this citizenship. You inherited it, together with its privileges and duties, from your parents or grandparents who chose to give up the country of their birth to live under the Constitution of the U. S. Or you yourself may have chosen this as the best government in the world. In either case, you want to remain a citizen of the U. S. and not become entangled in the continuous wars of the world.

But you are to be robbed of your citizenship.

International Reds who have become rich under this form of government have decided that they will control the whole world under one government where six per cent will, as Commissars or rulers, govern the 94% as subjects. They have been very busy and have their program at least two-thirds complete. Certainly there is plenty of money available for such a plan of slavery . . . money to finance a so-called veterans' group, American Veterans Committee, to preach

for the ending of our American government.

There is money to buy Congressmen and other influential people to pave the way for World Government.

The United Nations was formed as a temporary organization to be turned into World Government, which will control your religion . . . or, rather, END your religion . . . control all education, hospitals, commerce, all activity of every living human in the world as is being done today in Russia, Poland, Latvia, Estonia, Lithuania, Hungary, Czechoslovakia, Rumania, Bulgaria, Yugoslavia, Russia's half of Germany, and Finland.

Do you remember the Fight For Freedom Committee and the Committee to Defend America by Aiding the Allies? You did not know at that time that these organizations were ruled by Russia-Firsters, Reds and One-Worlders. This group was hell bent to lie and push us into the War to crush all opposition to Communism, thereby releasing Stalin's Godless Ape Men to murder the useless, to rape the womanhood of all Europe, and to carry off to Russia everything of value in the countries they overran.

Some good people were misled and deceived into cooperating with the Reds in these organizations. These two groups, together with the American Association for United Nations, Inc., provided most of the active members of Americans United for World Government. You will perhaps be surprised to see the names of radicals who are cooperating to destroy your citizenship in the United States.

The all important and real leaders of World Government, who are placing millions behind this plan, are careful to stay quietly in the background. We know who some of them are and plan to give you their names later on. But as a starter, here are some of the front men who are using the millions to bring about World Government and world slavery:

Robert W. Kenny, President, National Lawyers Guild (a Communist front)
James G. Patton, President, National Farmers Union (a Communist front)
Israel Goldstein, Co-Chairman, American Jewish Conference
G. Bromley Oxnam, Red Bishop of the Federal Council of Churches of Christ in America (strong backer of Red movements)
Francis E. McMahon, Catholic dupe of

Stalin, ousted from Notre-Dame as a radical professor.

James P. Warburg, of International Bank, Kuhn Loeb & Co., which firm sent forty eight million dollars to Trotsky to finance Communist Revolution in 1917.

Darryl Zanuck, Vice-President, 20th Century Fox.

Spyros Skouras, President, 20th Century Fox.

Isador Lubin, master-mind of the Morgenthau Starvation Plan.

Jerome Frank, Felix Frankfurter's protégé.

Thomas K. Finletter, Chairman of Americans United for World Government.

Marshal Field, who finances PM, the Red Russia-first sheet, which features atheist writers.

Mary McLeod Bethune, colored Communist who is used by Reds as a decoy among her race.

Bartley C. Crum, Chairman of Madison Square Garden meeting for Harold Laski, London Communist.

David Dubinsky, follower of Trotsky Communism.

C. B. Baldwin, active in Political Action Committee of Reds.

Clifton R. Fadiman.

Red J. Raymond Walsh.

Red Helen Gahagen Douglas.

Red Eustice Seligman.

Red Henry Seidel Canby.

Rex Stout, head of the smear organization, Friends of Democracy, of which **Leon Birkhead**, the Communist Unitarian Minister, is director, and **John Roy Carlson** is the "outside man".

Mrs. Gifford Pinchot.

Mrs. J. Borden Hariman.

Arthur J. Goldsmith, heavy contributor to smear defeat of Senator Burton K. Wheeler, member of Executive Committee of American Jewish Committee.

Charles Guy Bolte, President, American Veterans Committee, which is pushing World Government. In a speech, December 12 at Montclair, N. J., Bolte stated that the rest of the world was in no position to resist World Government and the United States could be converted with the expenditure of twenty-five million dollars.

Cecil Brown, Commentator.

Tallulah Bankhead.

Mordecai Ezekiel.

Mrs. Thomas W. Lamont, wife of the head of J. P. Morgan & Co. Her son, Corliss Lamont, is an atheist Communist — and at the top.

Herbert Bayard Swope, first assistant to Bernard Baruch in connection with the atom bomb.

Who Trusts Whom?

Is this plain enough for the hypocrits who say we should trust Russia? Here is a record of present employees in the American Embassy in Moscow and in the Soviet Embassy in Washington.

American Embassy, Moscow	Amer- icans	Soviet Nationals
Embassy staff, not including military and naval attaches' offices	63	93
Office of Military Attache	30	None
Office of Naval Attache	15	6
Total	108	99

Soviet Embassy, Washington	Ameri- cans	Soviet Nationals
Embassy staff, including Military and Naval Attaches' Offices	None	89

These Soviet Nationals working in our Embassy are 99 Communists. You can be sure they are hand-picked by the Russian Government; otherwise they would not be allowed to work in our Embassy. And it is a pretty safe bet that most of the 108 Americans are Reds, as Communist brains have been directing our State Department for several years.

We hope General Marshal will be allowed to clean out the thousands of Communists in our State Department. Secretary Byrnes did not dare touch one of them. But now that Byrnes and his actual boss are both out, let us hope for Marshall.

P. S.—During the thirteen months in China, Marshall was working under orders from the State Department to force Chiang Kai Shek to accept Communism).

Rabbi Moses Lazaron.

Sol Lesser.

Ernst Lubitsch, movie mogul.

Joseph L. Weiner, Russia-born Red.

Lewis Lichtenstein Strauss, with Kuhn Loeb & Co.; dominating member of Atom Bomb Commission, appointed by President Truman under influence of David Niles in the White House.

William Wesley Waymack, Vice President of A. U. for W. G., also member of Atom Bomb Commission.

Raymond Gram Swing, commentator.

Consider for a moment the hypocrisy of the name **Americans United for World Government, Inc.**; should be **Phonies United to Destroy America's Government, Inc.**

PROTESTANT GROUPS HELP DESTROY 'AMERICAN WAY'

(continued from first page)

Presbyterian General Assembly can be found in the writings of practically all the Protestant churches. A single quotation taken by itself would seem to be without great significance. But when we find constantly repeated and harped upon the idea that the individualist age is passing and the collectivist age is coming, it becomes perfectly apparent that this collectivism they talk about is nothing in the world but Communism. Or at least it is so unlike the American system of private enterprise, with the opportunity to individuals to serve and serve greatly, that with the continued infiltration throughout the world by the Communist Fifth Column, the product of this Protestant agitation threatens to be so similar to the Communist program as to make this country ripe to be taken and assimilated in the USSR.

And our studies of the development of these groups, of their lip-service to America but their constant holding up of Soviet Russia as having much for us to copy, indicates that all the men who are doing this work are, intentionally or otherwise, playing straight into the hands of Moscow. We are told that comfort is derived by our Left-wing brethren from the fact that while they were roundly defeated in the recent elections, they can count in future elections on the cumulative effect of continued collectivist teachings, not only in the public schools but in the Sunday schools of these various churches.

We urge in passing that every reader of this Letter should inquire — should make more than a superficial inquiry — into the part his church unit is playing in the Federal Council of Churches. He will probably find that not five per cent of the members of his parish or congregation have the slightest suspicion that any of the money contributed by them, ostensibly for the furthering of the worship of God, is being used to advance the propaganda and interests of Soviet Russia.

We say then that propaganda in our churches, like propaganda in our schools, is one of the foremost factors to be met, understood and counteracted, especially in this year 1947 when the Congress and the legislatures of most of the states will be in session. Unless you do something, Mr. or Mrs. Reader, to offset the effect of this propaganda on your legislators and your congressmen, you will have lost a chance to help save your country.

BIT OF THIS & THAT

By David Goldstein, LL. D.

IN WORKING FOR improvements in economic conditions, Pope Leo XIII, foreseeing the Communist danger to toilers, warned Catholics to be on guard against extremists, whose demands are prompted more by a desire to further their revolutionary cause, than to better the condition of the wage earners. He said: "It is no easy matter to define the relative rights and mutual duties of the rich and the poor, of Capital and Labor. And the danger lies in this, that crafty agitators are intent on making use of these differences of opinion to foment men's judgment to stir up the people to revolt."

SOME TRADE UNION leaders are well aware of the danger of the Communist agitators within their unions, who operate in the interest of Moscow instead of Washington. They aim particularly for control of unions in the basic industries, knowing that they can more easily dominate the U. S. A. through strikes than through the ballot. One of the unions in their control at present is the National Maritime Workers Union, of which Joseph Curren is president. It operates tactically entirely along the Moscow line. In looking through a copy of *The Pilot* (Nov. 29, 1946), official organ of that Union, one can plainly see how the men who go down to the sea in ships are piloted along the Stalinist course. It boasts of having picketed ships bound for Spain. It rejoices at the passage of the "Soviet resolution" that admitted the W. F. T. U. (the Red trade union international that the A. F. of L. repudiated) into a subsidiary organization of the United Nations. Three items in its "Foreign Policy" are enough to show how closely the Moscow line is followed. It holds that (1) "Fascism (not Communism) is the disease that spreads to threaten peace and the welfare of a free people. . . . It is a threat to all democratic nations." (2) "We call upon all foreign governments as well as our own to cease intervention in Chinese affairs." (3) "If we are to have peace, the stockpiling of atomic bombs must cease." So this Com-

munist "*Pilot*" goes on without deviating one iota from the Moscow line.

WHEN AMERICANS find it necessary and want to belong to a trade union, in order to improve working conditions and to safeguard their right to a living wage; when in so doing they are compelled to join a Communist union, such as N. M. U., their religious and political rights are encroached upon. They are taxed in such unions for the support of principles that are contrary to Christianity and Americanism.

THUS the wage-price conflict, which we hope will soon be amicably settled, is seen to be but one present-day trade union issue that must be met. Something will some day have to be done to safeguard lovers of God and country against Communist encroachment upon their rights in Moscowized trade unions.

WE SHOULD LISTEN TO ABRAHAM LINCOLN

The Communist says our government has faults, so he wants to destroy it. We wonder if the Communist with bed bugs in his house would burn down the house to get rid of the bugs!

Before we destroy our government, we should listen to Abraham Lincoln.

"Before entering upon so grave a matter as the destruction of our national fabric, with all its benefits, its memories, and its hopes, would it not be wise to ascertain precisely why we do it? Will you, while the certain ills you fly to are greater than all the real ones you fly from, will you risk the commission of so fearful a mistake? If by mere force of numbers a majority should deprive a minority of any clearly written CONSTITUTIONAL right, it might in moral point of view justify revolution; certainly would if such right were a vital one." — From Lincoln's First Inaugural Address, March 4th, 1861.

HARRY BRIDGES, the man who should have been deported from our fair shores many years ago, tells here below the aim of the C.I.O. political action. (You will recall that Stalin himself put his blessing on the candidates sponsored by the P.A.C.)

"If all C.I.O. members could understand what united political action means there might not be any employers or private industry in the United States."

HOW ACTORS AND WRITERS ARE FORCED TO FOLLOW PARTY LINE TO GET WORK

Just a brief report on the talk by Rev. Urban Nagle at the Elizabeth, N. J., Elks hall on Sunday, January 12. Father Nagle, being active in theatrical circles in New York, is certainly in a position to see the inner workings of Communism throughout the "transmission belt", as he himself called it. He made us all see very clearly how effectively the "party line" is forced on actors and writers . . . in return for a job in most cases.

Father Nagle pointed out the tremendous power and influence that is wielded through the transmission belt of the legitimate theatre, the movies, the radio, and the press.

And he brought out a point which is of the utmost importance at this very moment, a point which must be decisively and permanently imprinted on the minds of every person who **should be opposed to Communism** . . . the fact that the Communists are united solidly in one cause, regardless of personal differences; that they are willing and glad to perform any task, large or small, if it brings the organization closer to its goal.

We, on the other hand, who are . . . or should be . . . fighting Communism are actually fighting among ourselves and allow our personal differences to cloud the issue, to cover

EVERY DOLLAR AVAILABLE USED TO FIGHT COMMUNISM

The leaders of Communist Fronts and papers receive large salaries, for these groups are well financed by thousands of Communists, Atheists, and fellow travelers in all walks of life — in the Movie Industry, in retail and wholesale houses, in business and the professions. Millions are available to destroy our government.

Think Weekly leaders draw no salaries and wisely use every dollar available to educate people, to tell what is being done to them under the name of democracy and economic freedom.

A committee of forty men and women will vouch for the above statement.

In the name of America we are grateful for the loyal support of the enthusiastic workers in many states. Your work is bringing results. We will have a good report for you soon. Concentrate on subscriptions. Every one counts. The more readers, the more fighters for America later on. **We will be heard.**

the goal toward which we are working.

As Father Nagle put it, "We all want top billing." We do not want to do the small tasks, the detail work; and sometimes we do not want to work at all because Mr. So-and-So is in the group and we do not like him or we do not approve of his politics or religion.

Until we learn to work as a unit, to fight as a unit, we can never hope to make the slightest dent in the line of the opposition — and we will not be equipped to stand firm in the final hour, that hour which is very close at hand.

OUR APOLOGIES

In the rush of work it is always possible that a subscription blank be mislaid or an acknowledgement be overlooked. If your paper does not come through promptly, or if you do not receive a prompt reply to correspondence, we would appreciate your calling the matter to our attention.

Be assured that the neglect of such matters is **never** due to lack of interest on our part, but rather to the fact that there is so very much to be done, we sometimes fall behind in our work.

THE BEST WAY TO COMBAT COMMUNISM

"The Committee appointed by the House of Representatives of which I had the honor to be chairman, to investigate Communist propaganda in the United States, was convinced that the most effective way of combatting Communism in the United States was to give the fullest possible publicity to the fundamental principles and aims of the Communists, which are the same throughout the world, as they are not likely to prove acceptable to any considerable number of American citizens unless camouflaged by extraneous issues, such as unemployment insurance, protection of foreign-born or other current topics that have nothing to do with Communism." (Hon. Hamilton Fish Jr., Dec. 19, 1931, Cong. Record, Vol. 75, p.929).

WE WILL PROVE THAT EVERY DOLLAR CONTRIBUTED GOES TO FIGHT THE COMMUNISTS
